2011 Membership Form

**The Friends of the
Sheppard Memorial Library**

The Friends of the Sheppard Memorial Library was organized February 3, 1991. The purpose of the group is:

- to maintain an association of persons interested in libraries;
- to focus public attention on the library;
- to stimulate the use of the library's resources and services;
- to receive and encourage gifts, endowments, and bequests to the library;
- to support and cooperate with the library in developing library services and facilities for the community;
- to lend legislative support where needed; and
- to support the freedom to read as expressed in the American Library Association Bill of Rights.

In recent years, the Friends sponsored book sales, conducted programs for the public, provided matching funds for private and public grants, and provided money for the purchase of books and other material for all of the Sheppard Memorial Library facilities. The Friends of the Sheppard Memorial Library endowment was established with the Greater Greenville Foundation to provide a permanent fund to enhance and improve the services and facilities of the public library system.

Membership in the Friends of the Sheppard Memorial Library is open to the public. Each member will receive **The Bookmark**, the monthly newsletter of Sheppard Memorial Library.
